New Patient Forms

Please fill out completely and return to Dr Miles office.
Dear Patient,

Thank you for the opportunity to work with you. We utilize an integrative medical approach to health care that provides an array of treatment options. However, more importantly, I believe integrative medicine offers a distinctly different way of thinking about health.

The first office visit is where we gather the largest amount of information. Accordingly, this visit can last 1 to 1 1/2 hours. Please arrive 10 minutes prior to your scheduled appointment time. The New Patient Information Form is the start of our comprehensive discussion to learn about you. This form is somewhat long, but I appreciate your time to thoughtfully answer these questions. I kindly request that this form be filled out in its entirety prior to your appointment time, so that I can maximize my time spent with you.

Please inform my staff if any information included in this paperwork changes so we can keep your record updated. We will have you complete a medical release before your initial appointment so that we have a record of the people that you would disclose your medical information if needed. You can change this information if you decide to do so later. Please ask my staff if this needs to be done.

Thank you again for your interest in working with me. I look forward to meeting you.

**PLEASE DO NOT EMAIL THIS FORM TO US! This is not a secure way to send sensitive information to our office. This information can be faxed, mailed or dropped off at our office during office hours.**

Sincerely,

Laura Miles, MD

Please initial beside each agreement:

_____ **Financial agreement:** I understand Dr. Miles fees are payable at the time of service. Dr. Miles is an out-of-network provider for all insurance companies and does not accept or file insurance claims. I also understand that if I am Medicare, Medicaid or Tricare eligible that by initialing I acknowledge that I cannot request reimbursement for service by Dr. Miles from those entities.

_____ **Exam agreement:** By initialing, I understand the philosophy of Dr. Miles is to work together with my current medical providers. Dr. Miles is an anti-aging and regenerative medicine specialist and does only preventative care medicine. She is not a primary care physician, internist, ob/gyn, endocrinologist, gastroenterologist or psychiatrist therefore it is important I maintain continued treatment by my current physicians. Dr. Miles does not address or treat acute conditions (i.e.: colds, flu, sinus problems, urinary tract infection, chest pain, etc.) I will always have to consult my primary care physician for any routine or emergent health concerns.

_____ **Privacy Policy:** By initialing, I acknowledge that I have received a copy and reviewed Vitruvia’s Notice of Privacy Practices. I further acknowledge that I will be offered a copy of any amended notice of Privacy Practices at each appointment.

_____ **Cancellation Policy:** By initialing, I acknowledge that I have read, understand and agree to Dr. Miles 48 hour cancellation policy. Our staff devotes specialized attention to all of our appointments, therefore we appreciate your efforts in keeping your appointments. In the unfortunate event of a cancellation, a 48 hour notice is required to cancel or reschedule. Should you decide not to keep the appointment for any reason without giving proper notice (outside of a medical emergency), you will be charged an $85.00 cancellation fee. Note: Due to the personalized services we provide, time is highly valued during your appointment. If you arrive more than 10 minutes late for your appointment, your appointment may be rescheduled and you will be charged our cancellation fee of $85.00.

_____ **Medical Emergency Policy:** By initialing, I acknowledge that I have been informed of Dr. Miles office emergency policy. If I have a true medical emergency or serious medical concern I will call 911 immediately, not Dr. Miles. Messages left after regular office hours will be returned the next business day. It is my responsibility to seek appropriate medical attention in the meantime.

_____ **Health Savings Account:** I understand that I am responsible to inform Dr. Miles if I have a Health Savings Account (HSA). I also understand that if I have an HSA, that my insurance company in certain instances may submit any remaining balance of lab work ordered by Dr. Miles directly to my HSA for payment.

I authorize the release of any medical or other information necessary to process any claims. By signing below, I agree that this information is correct and I have reviewed the above agreements.

RE: Lab billing preference

All insurance information will be submitted to one of the following labs: DLO or Lab Corp. If your insurance has a preferred lab for your bloodwork please let us know in advance. Please understand that you may be billed by the lab for any remaining balance after your insurance processes the claim. Our office has no control over the billing at the lab facility. All questions regarding a received bill should be discussed with the lab directly. If you receive an E.O.B. (Explanation of Benefits) from your insurance company, it may be higher than the actual bill. Your bill will depend on what your insurance deductible is and your lab benefits. The bill can be on average $500 but may be up to $2000 depending on these benefits. After you receive your actual bill from the lab, we encourage you to call the lab to see if any discounts are available. If you have any concerns or are unsure if our preferred labs are accepted by your insurance, please call and verify that information with your insurance company before your appointment. If your insurance has a preferred lab we will gladly accommodate that if you let us know in advance.

You as the patient always have the option to pay cash for any lab work instead of having a claim filed through your insurance company.

Any specialty lab work will be discussed with you prior to collection or processing.

If you have a preferred lab, please indicate the name here: _________________________________
